**Shustak Reynolds & Partners, P.C.  
Managing Partner**

Erwin Shustak was drawn to law in pursuit of justice and fairness. He began his career at a major New York City law firm before founding Shustak Reynolds & Partners, P.C., with offices across California and in New York, focusing on securities, finance and complex business law. "I became a lawyer to use the legal system and my abilities to level the playing field for the underdogs," he says. "That motivation has been my guiding light for the past 45 years."

His award-winning firm has earned many accolades, including, SuperLawyers, Best Lawyers, U.S. News Best Law Firms and Top California Boutique Law Firm. He and his firm also earned the respect of their peers, judges and arbitrators across the country for their professionalism, expertise, tenacity and ethics. Their clients range from Fortune 500 companies to high net-worth families, entrepreneurs and investors.

"My greatest pleasure is analyzing our clients' problems and counseling them every step of the way on how to achieve the best outcome," says Shustak. "I enjoy thinking multiple moves ahead. It's like a complicated, three-dimensional chess game that requires strategic thinking and planning."

Shustak Reynolds & Partners is committed to giving back through various pro bono activities in the legal and local community. Firm partner Jonah Toleno was awarded the San Diego County Bar Association Community Service Award for Commitment to Diversity, while partner Paul Reynolds is a member of the Board of Governors and the incoming President of the San Diego Chapter of the Association of Business Trial Lawyers. Shustak, himself, volunteers his time with local community land use and planning activities.
